

## DECC Event Parking Information

### Duluth Entertainment Convention Center

350 Harbor Drive

Duluth, MN 55802-2698

**Phone:** 218.722.5573

**Fax:** 218.722.4247

For Construction and Parking Updates please visit our website at [www.decc.org](http://www.decc.org).

For further parking information, please contact Madonna Ohse, DECC Parking Manager, at 218-722-5573 ext. 283

### General Information

The DECC is building a new Arena which will be completed in December 2010. Although this is an exciting addition to the DECC, the fencing-in of the Arena construction site significantly reduces on-site parking. We are making every effort to minimize parking shortages during construction.

### Guest Parking

- Additional parking spaces are available at the Bayfront Parking Lots.
- Shuttle service is provided from and back to the Bayfront Parking Lots when the DECC Parking Lot is full. See map on reverse side.
- We encourage you to carpool, use your hotel shuttle or use the skywalk system when possible.
- During large events, DECC staff will be parking in the Bayfront Lots to leave more space for customer parking at the DECC.
- Plan for congestion and delays

### DECC Shuttle Van and Voyageur Buses

- Shuttles will run a continuous loop from Bayfront Lot B to the DECC on heavy traffic days.
- Look for the designated pick-up site at Bayfront Lot B.

### Construction Schedule

New Ramp Complete: October 2009

New Arena Complete: December 2010

### On-Site Parking Spaces

- Pre-Construction Parking: 1800
- Ramp and Arena Construction: Decreases to 800
- New Ramp Opening: Increases to 1350
- New Arena Opening: Increases to 1800

We appreciate your support and understanding as we grow.
