To Whom It May Concern:

With the concerns regarding the COVID-19 virus having been designated as a pandemic, and, following the advice of the Centers for Disease Control and Prevention to cancel or postpone large group gatherings, the Minnesota Association for Children's Mental Health has made the decision to transition our 24th Annual Conference for Children's Mental Health to an online event.

This change in our format occurred after several of our attendees and presenters had already made travel arrangements. We are asking that you please provide any traveler impacted by this change of plans with refunds or vouchers to lessen the impact of events that were outside their control.

Thank you, we appreciate your cooperation. Please do not hesitate to contact me if you should have any questions.

Sincerely,

Deborah Saxhaug
