

# Park Nicollet<sup>®</sup>

The Park Nicollet Behavioral Health Department is a large, multidisciplinary group which provides comprehensive mental health services in the Twin Cities. Our Child and Family Behavioral Health division staff's clinicians with experience assessing, diagnosing and treating children and adolescents with a broad range of difficulties relating to disruptive behavior disorders, anxiety, mood disorders, ADHD, learning disorders and developmental concerns. We value training in, and a commitment to, evidence-based care. We foster a collaborative approach between members of our behavioral health team and between behavioral health and our primary care colleagues to provide clients with the best and most comprehensive care possible. We are dedicated to promoting cultural awareness and sensitivity in our work with patients and in our interactions with each other.

Park Nicollet Health Services, member of the HealthPartners Organization, is a large award-winning integrated multi-specialty practice with nearly 700 doctors and clinicians in over 55 credentialed medical specialties. Our hospitals and clinics are locally and nationally recognized for clinical quality, disease management, patient safety and leadership. Our health care system includes Park Nicollet Methodist Hospital, Park Nicollet Clinics, Park Nicollet Specialty Centers, TRIA orthopedic centers and Park Nicollet Foundation.

We believe outstanding health care is delivered when we merge the science and intellect of medicine with the compassion, spirit and humanity of our hearts. We place the highest priority on safe, effective and innovative medical care.

Child and Family Behavioral Health is currently recruiting for clinicians specializing in assessing and treating children and adolescents at our St. Louis Park location. This location houses over 20 clinicians including specialists in child psychiatry, developmental-behavioral pediatrics, speech and language pathology and care coordination as well as child and adolescent therapists and psychologists. We are looking for an independently licensed therapist Masters or Doctorate level (LP, LMFT, LICSW, LPCC) who is seeking to provide high quality therapeutic care for the kids and families we serve. Interest and experience in psychological testing and/or conducting therapy in languages other than English would be a bonus but is not required.

**\$5K SIGN ON BONUS, competitive salary, excellent benefits (including continuing education and paid licensure) and much more!**

**\*Qualifying employer for Public Service Loan Forgiveness Program (as applicable)**
