

At Nexus Family Healing, we believe every child is worth it — and every family matters. And we know that each time we help change the course of a life, we create the potential for healthier families, stronger communities, and a better world. It's why we're here, it's why people trust us, and it's why we're committed to helping even the most challenging situations.

## Mission

To change the course of a child's life by stabilizing families and strengthening mental health.

## Vision

Healing the past.  
Breaking the cycle.  
Changing the future.

## ICARE Values

*We execute with Synergy and Grit.*

## OUR IMPACT

- We prioritize family partnerships and healing, no matter the issue. **89%** of families rated our family involvement efforts as good to outstanding.
- To provide safe homes for children in need, we licensed **135** new foster care homes.
- The youth we help struggle with issues related to trauma. After our treatment, youth better manage painful experiences, and the number of urgent mental, emotional, and behavioral health needs drops from an average of **12 to 7**.
- We played a role in uniting **129** youth to safe, loving, and welcoming adoptive families.

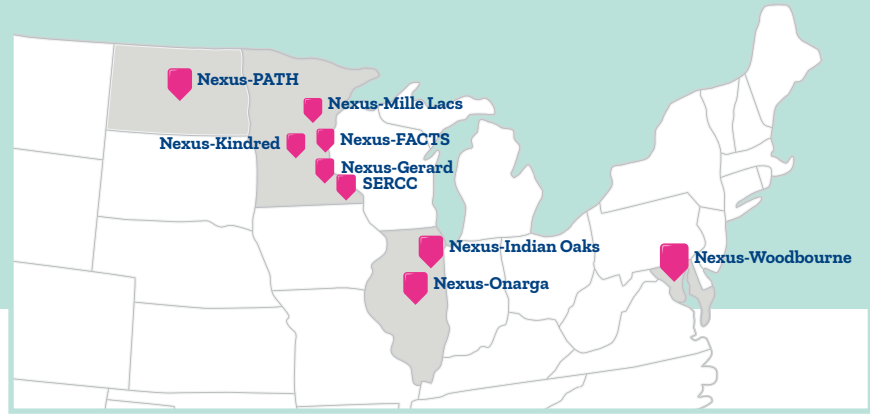

**50 Years of Helping Kids • Serving over 3,500 kids and their families each year • 1,300 Employees**

## ABOUT NEXUS FAMILY HEALING

Nexus Family Healing is a national nonprofit mental health organization that restores hope for thousands of children, families, and adults who come to us for outpatient/community mental health services, foster care and adoption, and residential treatment. For over 50 years, our network of agencies have used innovative, personalized approaches to heal trauma, break cycles of harm, and reshape futures. We believe every child is worth it — and every family matters. Learn more at [NexusFamilyHealing.org](https://NexusFamilyHealing.org).
